Scheme Rules and Guidance Notes

The Mineral Products Association's annual Health and Safety Awards Scheme is open to all with an interest in the industry.

On the basis that health & safety 'best practice' is to everyone's benefit, irrespective of its source, the MPA welcomes entries from every organisation in the supply chain. This includes **Plant and Equipment Manufacturers; Importers; Suppliers; Dealers; Contractors; Consultants; Quarry companies who are members of ANY trade association; Quarry companies who are not members of any trade association. In short, the 2010 Scheme is open to all!**

To take advantage of this opportunity via the ONLINE facility, you need to REGISTER on www.Safequarry.com - this will take 90 seconds of your time!

STRICT DEADLINE 24 March 2010

Incomplete entries may be excluded

Points to consider include:

Indicators of commitment by your company
Description of efforts to influence behavioural aspects
Give credit to whoever came up with the good ideas
Effectiveness of control measures (engineering/management)
Method(s) and effectiveness of monitoring system
Problem areas: identification and priorities for action
State actual levels of recorded improvement, if possible
Evidence that existing good practice has been taken on board
Evidence that specific legislation/guidance is understood
Evidence that all relevant workers taken into account
Briefly explain how you communicated the benefits
Involvement of Trades Unions (where applicable)

If selected for a Judging Visit . . .

- Is your good idea/innovation in regular (or routine) use?
- Is your workforce genuinely supportive of the good idea/innovation?
- The Judge will wish to "walk the talk" and discuss with Operatives, as well as managers.

"Sir Frank Davies Trophy" (best entry from a small or medium-sized MPA Member company)

"John Crabbe Memorial Trophy" ('overall excellence' in H&S by MPA Member company)

These two trophies will be judged by a separate independent eminent expert.
